[illegible]

Blasion.

After Death of above, got to the water side near a
Fort. got killed from a musket ball, but captured
of Johnsons & Johnsons from the water side, and
sent from with thinking that they had ^{been} killed.
Johnson from before after capture, killed in
the
at River was all morning to the Gulf of California
from an attempt to capture him, and of which there
is a story. Johnsons of the River was
at the River was from the Gulf of California, and
from the River was from the Gulf of California, and
from the River was from the Gulf of California, and
